Testosterone Inj: Nebido, Sustanon
<i>Typhoid: Typhim VI, Vivotif Cap</i>
Vitamin Inj: Hydroxocobalamin
Voltarol Injection
Water For Injection

Red: = Volume Vaccine, do not print prescription

This is not an exhaustive list: if in doubt, check

Guidelines:

- Only claim PURCHASED PAIs. Do not claim for PAIs from Central Supply or items provided by the pharmacy
- Ensure everyone knows what is claimable
- Check monthly claims against stock usage and clinical system searches

Knowing what is claimable is important, but in our experience most of the income that is missed is from the common items everyone knows.

If you are concerned about your PAI management processes, contact us
info@ashlane.co.uk Tel. 01749 841430 / 07980 800615.
